release **potential**

Release Potential is excited to announce that we have devised a range of **free** remote learning programmes that could enhance your skill set. This will be achieved by video tutorials, individual support learning via Zoom which is a video conferencing software.

You will need a PC/laptop, tablet or smart phone with an internet connection to be able to access our video tutorials and individual support.

What can you achieve with Release Potential?

- Level 1 Certificate in IT User Skills

- Level 2 Certificate in IT User Skills

- Level 1 Certificate in Foundation Learning and Employability Skills

- Level 1 Certificate in Customer Service

- Level 2 Certificate in Principles in Customer Service

- Level 2 Certificate in Equality and Diversity

How do I find out more?
